Area closure issued for Terwilliger Fire

Blue River, OR (Aug. 21, 2018) -- Fire officials are implementing an area closure order for the Terwilliger Fire for public and firefighter safety due to a combination of high fire danger, exceptionally dry conditions and unpredictable fire behavior. The area closure includes a section of Forest Service Road 19 (Aufederheide Scenic Highway) and recreation sites.

"We understand this is a disappointment to residents and visitors who patiently waited for the road to reopen after the December 2017 landslide, but unfortunately, the risk is too great," said Forest Supervisor Tracy Beck. "Our highest responsibility must be visitor and firefighter safety."

The size of the closure allows for safe access and work by firefighters, and reflects the rapid growth that fire managers have witnessed since the fire was initially reported on August 19. Given the weather forecast and already dry forest conditions, the fire could continue to grow and additional closures could take place.

From Hwy 126, the closure begins where Forest Service Road 19 intersects with Forest Service Road 1900-408 and continues south to Rebel Trailhead.

Closed Campgrounds:

- Hard Rock Campground
- French Pete Campground
- Cougar Crossing Campground
